Warranty Details

The XeBC carries a one-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins on the date of the purchase and, provided the unit is used in accordance with our instructions, is in full effect for one year from that date. Any work performed under this warranty must be performed between the hours of 8am and 5pm Monday through Friday. Xebeco will not pay for overtime charges for work performed other than during normal business hours. Damage incurred in transit or from installation error, accident, alteration or misuse is not covered. Xebeco shall not be liable for any consequential compensatory, incidental, or special damages. Contact the Xebeco service department for any warranty claims. Ovens with steam may require water filtration depending upon water quality of oven location. If scaling or damage is caused by too hard or too soft unfiltered water warranty may be voided.
