

Quality you trust. Experience you know.

*G-Peeler
Portable 20 lb (9kg)
Vegetable
Peeler*

Features:

- Truly portable, plugs in anywhere
- Great for root vegetables such as potatoes, carrots, and parsnips. Can even use to clean shellfish or scale small fish.
- No plumbing problems. Connects to a standard faucet and operates on a drain board, Univex 150 stand, counter top, or table.
- Stainless steel construction ensures long life and makes cleaning easy.
- Precision timer automatically shuts off as desired and prevents over-peeling
- Extended discharge tube minimizes splashing.
- Corrosion resistant cover.

Models:

- 1 year, on-site parts and labor

Warranty Details

The Fat Analyzer units carry a 90 day, carry-in parts and labor warranty against any flaws in materials and workmanship. This period begins on the date of the purchase and, provided the unit is used in accordance with our instructions, is in full effect for 90 days from that date. Any work performed under this warranty must be performed between the hours of 8am and 5pm Monday through Friday. Xebeco will not pay for overtime charges for work performed other than during normal business hours. Damage incurred in transit or from installation error, accident, alteration or misuse is not covered. Xebeco shall not be liable for any consequential compensatory, incidental, or special damages. Contact the Xebeco service department for any warranty claims.
